

CONNECTING TO NATURE

OUTDOOR EDUCATOR

Our outdoor educator designs nature-based curriculum with a focus on inquiry, science, art, loose parts, and hands-on learning experiences

OUTDOOR CLASSROOM

Designed to be a space for focused research, our outdoor classroom is complete with a fillable dry creek, a large mud kitchen, sensory garden, music wall, and shaded pavilion

NATURAL PLAYGROUNDS

Our natural playgrounds allow children the opportunity to utilize natural materials and encourage them to take calculated risks and fine-tune their motor skills
